OPDS prior to incurring any such expense. In the event that Contractor does not request and receive OCC's approval before incurring such an expense, Contractor shall be personally responsible for payment of the process server's service invoice.

B. <u>Court Reporters</u>

Only appellate and post-conviction relief transcripts are paid directly by OCC OPDS. Any other use of court reporters or transcriptionists must be approved beforehand by a Request for Expenditure of Funds. It is the Contractor's responsibility to deliver the approval to the appropriate vendor. As a general rule, when you request transcripts during a trial (to impeach a witness, etc.), you should make it clear to the court reporter that you alone are requesting a transcript of the testimony and that OCC OPDS will pay \$2.50 per page for the original only and an additional \$0.30 per page for one copy. If a motion for a new trial is granted, the County Attorney and all defense counsel should share the cost of the transcript of original trial. OCC OPDS encourages you to bring this provision to the court's attention should the parties disagree about sharing the costs. RUSH (delivery within 5 days) and EXPEDITED (delivery within 10 days) transcription requests are strongly discouraged and likely to be rejected absent unforeseen exigent circumstances. OCC OPDS requires that Contractor justify such requests with an explanation as to why this additional expense was unavoidable. If the necessity for rush or expedited charges is the result of delay on Contractors part, Contractor will be required to pay any charges beyond the reporter's standard page rate.

C. Audio and Video Tape Transcription

Currently, the only approved contract vendor for audio and video tape transcription is Copperstate Court Reporters. All expenditures for the transcription of audio and video tapes must be approved by OPDS prior to incurring any such expense. It is the responsibility of each Contractor to deliver the tapes in time to take advantage of the Regular delivery rate (\$2.50/page) of 20 calendar days. The Expedited delivery rate (\$2.75/page) of 10 calendar days and the Rush delivery rate (\$5.00/page) of 1 day will not be approved absent extraordinary circumstances.

D. Travel

All travel for contractors, witnesses or expert witnesses must be pre-approved and scheduled through OCC OPDS. If a car rental is necessary, OCC OPDS will ask that Contractor supply OCC OPDS with Contractor credit card information so that a vehicle may be reserved for Contractor. OCC OPDS will work with contractor to make these arrangements.
